

Trail Specs

 **Trail Head:** Lat 38.130180 Long -92.621178
Length: 1.5 Miles **Marking:** Green Blazes/Arrows

Densely shaded and fern covered characterizes part of this trail and open and rocky describes the rest of the trail. Between the two extremes, this trail will take you along the shoreline of the Lake of the Ozarks. In addition to the natural history, evidence of the past and present cultural history can also be seen.
